

Request for Financial Assistance

OBEN Soccer Club is a non-profit organization and financial assistance in the form of full or partial scholarships may be available to children in need on an anonymous basis. If you would like to apply for scholarship, please fill-in this form and it will be presented to the OBEN Board of Directors for review and approval. There are many questions to determine financial hardship. We have provided a few to assist you in your request. Feel free to use these questions as a guideline:

1. What is current employment status of members of household?
2. Number, age, and health of dependents?
3. Any circumstances such as special education or medical expenses?"
4. Is your child currently receiving school lunch assistance?
5. How much can you contribute? We ask that all families contribute part of the fees, if possible.

Please describe the nature of your request for scholarship assistance (use back if needed):

Note: The information and statements shared on this application are confidential between the OBEN Soccer Club Board of Directors and shall not be disclosed to anyone else and will be used only to affect a decision on financial assistance.

I certify that all of the above information is true and correct. I understand this information is being given to determine eligibility for scholarship from OBEN SC and is not a guarantee of financial assistance. I understand that financial assistance is for one season.
